Spring Bling is right around the corner! The Learning Center students have been hard at work. We thought you might enjoy a preview into the amazing projects happening here at the school. All of this student art will be available at the Voodoo Compound, March 30th at our spring event. You can purchase tickets for Spring Bling at our school [website](#) or by calling the school directly at 814-332-0202. You can see more artwork and all of the wonderful prizes when our auction goes live tomorrow on Bidding Owl. Be sure to watch for it. We truly hope that you will be able to join us for Spring Bling- so much fun!!!
